#### Experience

JO has over 15 years experience as an engineer. He previously worked as a PC/LAN tech for Cellular One, a Network Engineer for Microman, an Internet Product Engineer for UUNet, and a Senior Engineer for SubmitOrder. JO has been with NeTeam for over three years and is currently the Wireless Consultant. He has made a tremendous impact on NeTeam by leading and coaching NeTeam's engineers in the latest technological advances, driving NeTeam towards continuous improvement, providing support for all NeTeam's engineers and passing on his knowledge and expertise to its customers. In addition, JO is currently a member of IEEE.
